# HOW TO ADD A PRINTER

Windows 10 Created 8/20

Locate the sticker on the printer you would like to connect to.

- If it says USB you will not be able to connect to it.
- If it is missing the sticker submit a tech request.

# Step 2

Click on the start button and type in printers, once you see the Printers & Scanners icon, hit enter to open it.

Click on Add a printer

Sit tight, it will now find the printer and drivers for the printer

Now it will ask you to name the printer. You can name it anything you like. I would recommend naming it your room number.
